PROFILE

Good day! I have some experience in creating websites In addition to the skills described in the sidebar, I also know:

- Adaptive layout
- Flex and Grid
- I know how to work with Figma and PhotoShop

Ready to learn something new. I love constructive criticism. I don't have experience working in a team, but in everyday life, I like to do things together with others. I make an effort to keep my code clean and valid. I like to help others with a task. I enjoy my work, especially when I create something new.

QUALITIES

- Attentiveness
- Perfectionist

- Persistent
- Honest
